Re: Cell phones

The New Road School of Somerset has a cell phone policy for students attending our school.

Students are required to maintain their cell phones in their classrooms under the direction of the classroom teacher. They are not to be used in the hallways or during their on/off campus jobs. Students will be given a warning to put their cell phone away for violating this policy before their cell phone is put in the lockbox for the remainder of the day.

The next violation of the cell phone policy will result in administration holding the phone for the rest of the day.

Subsequent and repeated incidents can result in loss of cell phone privileges within the school building for a time deemed appropriate by the Administration.

If you need to reach your child during the school day, please call 732-271-5775, ext. 0 and we will make sure your message is delivered and if necessary we will have your child come to the phone.
