Re: Peanut/Nut/Food Allergies

The New Road School of Somerset is an allergy conscious school. We work diligently with staff, students, and parents to support those with food allergies. **Parents of students with severe food allergies are asked to contact the school nurse immediately.**

Parents often ask what we do to support our students with peanut/nut allergies - we are a NUT FREE environment.

**Parents, staff, and students are asked to refrain from sending in or eating peanuts/nuts or foods containing peanuts/nuts for lunch or snacks. DO NOT SEND IN SNACKS OF ANY KIND INCLUDING BAKED GOODS, WHETHER PURCHASED OR HOME MADE.**

**THIS SCHOOL YEAR WE WILL ACKNOWLEDGE BIRTHDAY CELEBRATIONS WITH A BALLOON; PLEASE DO NOT SEND IN ANY FOOD ITEMS.**

Our school's staff works with students to reinforce hand washing, not sharing food, checking food labels, and asking an adult for help.

We appreciate everyone being vigilant in our combined efforts to keep our students safe.
