Summer is only weeks away!

Preparations for our Summer Program have begun. We are looking forward to sharing a variety of activities with your child. To prepare for fun and learning, we need to project the number of students who plan to attend. *It is extremely important for our program to identify an accurate number for student enrollment. Your help with this is greatly appreciated!*

Please complete the form below and return it to school no later than **Friday, May 12th**.

Student Name: _____ Date: _____

_____ YES, my child will attend the 2023 Extended Year Program.

_____ NO, my child will not attend the 2023 Extended Year Program.

_____ UNDECIDED, I will call the school office by May 26th to give my final decision.
